RANGER CAMPSITE AWARD

Don't forget the Ranger Campsite Award. This award will be given to the packs that score highest on the campsite inspections. We had many awesome sites at the fall family camp... let's see more. So start thinking and designing your Pack Gateway now. This is the gate that everyone will enter or leave the pack campsite. Look for the Inspection Sheet in the 2019 Family Camp Leader Guide Book. Extra points if the scouts help plan.

HIGHLIGHTS

Ranks will once again have their own rotation schedules, in which they will be working on adventures, camp skills and good old fun.
