

May 9, 2009

Dear Scoutmaster,

Please find enclosed documents pertaining to the BSA SCUBA program to be offered at summer camp this year. All participants, youth and adult will need to arrive at camp with all forms filled out. Please make enough copies for all those interested in BSA SCUBA. These documents are also available online at [www.redriverscuba.com](http://www.redriverscuba.com), look to the bottom of the home page and click on forms and invitations.

Dan Brooks, Master Instructor with Red River SCUBA in Bossier City and his team will offer a four evening course, Monday thru Thursday at our own GSR pool. Registration will only be on Sunday evening in the dining hall at camp. Please be prepared to hand in your forms at this time. Classes will be limited to youth age 14 and up, and then to interested adults.

Please be aware that the Guide to Safe Scouting requires all participants to be fourteen (14) years of age and at least classified as a "swimmer" according to the BSA swim test. Please pay particular attention to the medical survey, we do wish to avoid any unpleasant reactions to the underwater environment.

Larry Crymes  
2009 Program Director
