

From the Norwela Camping Committee  
And the Garland Pioneers, est. 2003

Dear Scoutmaster,

Well here it is December the 16<sup>th</sup> and baby its cold outside! Although it is cold and wet today, a hot dry summer is not far away. In that spirit of thought we would like to invite you, your assistants and your Senior Patrol Leader out to the Hallett Building on Saturday, January 10<sup>th</sup>, 2009 at noon, for a good old fashioned BBQ cookout with all the trimmings, provided by the Garland Pioneers.

This will be the leaders' kickoff for the 2009 Summer Camping season. Camp Books will be handed out and deposits for campsites will be accepted. A general discussion regarding camp will be held—anything you want to talk about with either the Camp Director or the Program Director.

Please, PLEASE, R.S.V.P. for this event so we can be sure to have enough food and handouts for everyone.

In the service of youth,
