

Troop 64 Committee Meeting
October 20, 2008

Those in attendance: Terry Clift, Jill Frost, Angela Lightcap, Susan Malloy, Dora Clark, Diane Fuhrman, Deb Ramstad, and Fran Stutts.

Terry opened the meeting with Old Business...

Feb. 8th will be scout Sunday. We will be a part of the worship service at FUMC-Bossier as well as hold our annual spaghetti dinner.

Most everyone turned in their popcorn money tonight. Dan Ramstad was our biggest seller (sold over \$1,000!!) and will receive the Party Central prize package. Randy Hamilton brought his donated door prizes (there are three). We voted to enter the name of anyone who sold \$200 worth of popcorn into a drawing for these prizes. For each additional \$200 sold, the scout can have his name entered in the drawing an additional time. Only one prize can be awarded per scout. The first scout whose name is drawn will have first pick of his prize, second name drawn will get his choice of two remaining prizes, etc. We will have the drawing at our next meeting at the church (Nov. 3) since Brad had to leave early. There might also be a couple of stragglers who have yet to turn in their money who may qualify for the drawing.

TREASURER'S REPORT: \$35 profit was made on the Mud Bug tickets. A \$100 deposit for summer camp '09 at Garland was sent. Diane says mostly what she has been doing is handling a lot of popcorn money and camp payments. There does not seem to be an eminent deadline of any deposit at Sid Richardson yet.

OUTDOOR CHAIRPERSON: Akela camp is this weekend (Oct. 23-25). Our troop is charge of the opening bonfire. Arrival time is 5:30 Friday. Eat before you come, bring something to eat for bfst. and \$ for lunch Saturday.

Nov 1-2 is a backpacking trip to Caney Creek. Permissions slips are due tonight.

The Nov. backpacking trip on the Azalea Trail has been cancelled.
