

Garland Scout Camp at Kinsey Scout Reservation

2019 Summer Camp Staff Application

Dear Applicant:

Thank you for your interest in working Summer Camp Staff at Kinsey Scout Reservation. A summer spent on Staff at the Reservation is one of the most memorable experiences of a life time. Every great summer camp season has owed its success to the Camp Staff. You could help continue an awesome tradition started when the camp opened in 1975.

As you are applying to be a Staff Member, know that you are requesting a position on a winning team! As the summer progresses, you will be expected to share your ideas and give suggestions on how to make the camp experience come alive for Scouts, Scouters, and families of the Packs, Troops, & Crews we serve.

Serving on the Staff of Garland Scout Camp is also a huge challenge. Over 200 young people and their leaders will pass through the camp gates expecting clean facilities, good food, and a great program. The Camp Staff exists to make these expectations become an adventurous reality for our customers. This means at times the Staff will be short on sleep, be assigned duties Staffers would rather not complete, keep a rigorous time schedule, and other weighty responsibilities. However, if kept in perspective, it will be a fun and rewarding experience creating bonds with other Staffers and helping Scouts along their advancement trail.

Before you submit this application, ponder for a few moments on why you want to be on the Summer Camp Staff of Garland Scout Camp. Do you have valuable skills to offer? Are you mature and dedicated enough to offer cheerful service when deep inside you would rather be in bed? Are you ready to accept responsibility for your own actions—both good and bad? Is experience, fellowship, and serving others more important to you than salary? Are you ready for a challenging and rewarding summer? Think about it!

If you are ready to become a member of the Summer Camp Staff at Garland Scout Camp, please fill out and return the following application by March 1, 2019. Interviews will begin shortly after that. Letters of employment will be sent by the end of April 2019.

All Staff members must be at least 15 years old by the first week of Scout Camp and currently registered as a Scout or Scouter with the BSA—this is a condition of employment set by the BSA National Office. In compliance with the Civil Rights Act, the Norwela Council and Garland Scout Camp will not deprive any individual the use of employment, programs, or facilities based on national origin, race, creed, color, sex, age, or handicap provided they meet other eligibility requirements.

Please send your application to:

**Summer Camp Director
Norwela Council
Boy Scouts of America
3508 Beverly Place
Shreveport, LA 71104**

I look forward to meeting, and hopefully working with you this summer on the camp staff.
In service of youth,

David Cook
Camp Director
Garland Scout Camp
Kinsey Scout Reservation
